

Callender Aeropart, part of the RLC Group of Companies provides engineered components and supply solutions to the Aerospace and Power Generation sectors.

We are looking to enlarge and strengthen our workforce to facilitate further expansion into these markets. We currently have a vacancy for:-

SKILLED CNC MACHINISTS

Applicants for the skilled posts should have extensive knowledge of CNC machining, ideally using 5 axis milling (Siemens/Heidenhain Control), be able to inspect first principle, have SMED experience and produce technical reports on work package activity. Also experience of an Aerospace background is essential. The positions are offered on a range of shift patterns.

The salary and package will be highly competitive, reflecting the nature of the position.

If you are keen to join a forward-looking Company and you believe you match our requirements then send us your C.V. Previous applicants need not apply.

Further information can be obtained from our web site www.rlc-callender.com

Please note the site operates a no-smoking policy, your compliance with this is a condition of employment.
