

**Callender Aeropart**, part of the RLC Group of Companies provides engineered components and supply solutions to the Aerospace and Power Generation sectors.

We are looking to enlarge and strengthen our workforce to facilitate further expansion into these markets. We currently have a vacancy for:-

**PRODUCTION LEADERS**

Applicants will need the following experience: Coaching and leadership skills, ideally obtained whilst working within a manufacturing environment together with the desire to balance the work needs of the task, the team and the individual; Engineering / operating experience ideally within a CNC machining environment; Keyboard and IT skills in Word and Excel; Production scheduling and logistics experience; Drive, commitment and self motivation with good communication and good numeric skills.

The salary and package will be highly competitive, reflecting the nature of the position.

If you are keen to join a forward-looking Company and you believe you match our requirements then send us your C.V. Previous applicants need not apply.

Further information can be obtained from our web site [www.rlc-callender.com](http://www.rlc-callender.com)

*Please note the site operates a no-smoking policy, your compliance with this is a condition of employment.*
